### Fall Schedule (Kendra)

- At LIC through September -- All weekday mornings; possibly 6am-11am depending on hockey and our numbers
- Decision on whether or not to open OVA on Sept 17
- Still negotiating on afternoon sessions and possibly Saturday
- When we move to OVA it will be the old skating schedule

### Competition Info/Poll members for potential competition (Sanju & Nika)

- Nika and Sanju are trying to determine if SSC can host a competition prior to the Championship Series
- We'd likely do a competition or exhibitions in October when we have more ice time
  - Potential dates: Oct 2, 9, & 15
- **Opinions from 3 SSC Qualifying Skaters:** Critiques, Exhibition with Critiques, Exhibition with Critiques
- **Ideas:**
  - Include a test session with the critiques
  - Set up a venue space in the parking lot
  - Have an in-house non qualifying competition with exhibitions/critiques
    - Sanju and Nika will check with the coaches regarding an in-house non-qualifying competition
    - **We'll vote via email regarding the competition** after we get opinions of coaches because it is possible that many skaters won't be ready and/or won't have programs for this season
  - Make sure exhibitions/competition do not happen within 2 weeks of the championship series competitions in the interest of not spreading COVID-19 within the quarantine timeline
  - SSC offer weekly online critiques during freestyle sessions, maybe rotate through 3 judges at a time so they can give feedback to skater & coach immediately after the program while another judge is watching the next skater.
    - Sanju will talk with Pine to figure out how to do online critiques during freestyle sessions
- **Vote on Exhibitions with Critiques: 5 yes**
